Leader's Guide

EVERYSOUL.ORG

Every **name** has a **soul**.

Preparing for SpringLife

This guide describes the components of SpringLife, which are designed to help leaders: 1) **Prepare** an atmosphere of spiritual awareness; 2) **Answer** the questions of life with God's Word in order to redeem the lost; and 3) to offer the **Hope** of Jesus to disciples fully devoted to a life of Christ-likeness.

Always be **prepared** to give an **answer**
to **everyone** who asks you to **give** the
reason for the **hope** that **you** have.

1 peter 3:15

What is SpringLife?

Will you challenge individuals to be witnesses and disciples of Jesus Christ?

SpringLife maximizes the opportunities provided by the Lent and Easter season. Truly experience and engage in Jesus' mandate to "...be my witnesses." It is also a time to continue making more and better disciples of the entire body of Christ through daily Bible study, prayer, fasting, faith-sharing, baptism, worship and more. Join The Church in celebrating this season of eternity!
