What is SpringLife?

SpringLife is an intentional two-month emphasis for every local church to participate in focusing on personal evangelism and spiritual formation. The challenges each believer is asked to take is:

1) Believe God to save souls; 2) Get prepared to share your faith in Jesus Christ; 3) Verbally witness with someone who doesn't know Jesus; 4) Invite everyone possible to Easter Weekend services/ activities and beyond; 5) Engage in a Disciple Group/Small Group to grow deeper in Christ; 6) Encourage every believer to participate in baptism; and 7) Carry the banners of witnessing and growing deeper in Christ all year long.

When does SpringLife take place?

The months of March and May every spring – around the season of Easter.

This Year: March 15 – May 3, 2009
